Neighbourhood Watch Annual Coffee Morning

Friday 9th September 10.30am - 12noon

Sandbanks Hotel, Banks Road, BH13 7PS

Come to this popular annual event and meet our local Police officers and members of Neighbourhood Watch. There will be free advice on safety and security.

This is an opportunity to speak to the Police and hear about their work in our area and other parts of Poole. Residents can raise their concerns on matters of law and order and local issues.

Neighbourhood Watch works together with the Police to keep our community safe.

Enjoy the magnificent views of the Sandbanks beach and the harbour from the Peninsula Suite. Browse around the various stalls and stands of local groups, charities, clubs, associations & businesses.

£2 entrance donation (includes Coffee, Tea & Biscuits)

Everyone welcome

How to contact Dorset Police

If your call is an emergency, i.e. a threat to life, or if a crime is in progress, always call 999 - don't tweet or send a Facebook update. PHONE!!

Crime in our area

There has been a marked increase in marine related crimes across Poole. The police have responded to this with special training for officers and increased patrols. Boat owners should always remove valuables from their craft and use locked storage. The police recommend marking equipment with owner's postcode or distinctive identifying marks. See full crime figures on www.police.uk

Watch Newsletter 'break'
